

Order Form for Supporters Clothing

As we are getting the shirts made overseas, the total order needs to be placed at one time to ensure delivery before the first carnival. We intend to order the shirts no later than the 15th November 2017. This year we are offering shirts and/or hats for the supporters to make sure everyone on the states weekend knows who is supporting Thornlie & Districts.

If you are interested in purchasing a supporters shirt (it will be an exact replica of the kids playing shirt) please circle your size required and write the name you want clearly printed in BLOCK letters. The cost of the shirts will be \$35.

As for the hats, they will be the same hat as the kids wear, and you can have a nickname on it if you wish. Hats will be \$15
